

FAQ Hybrid BASEhabitat Summer School

- **Application**

- A formal application is not required, just register online for access to the online content

- **How can I access to zoom.us and wonder.me sessions**

- After your registration you will get access data for the website with all the links.

- **Cost**

- The hybrid summer school is free for all online participants

- **Duration**

- The hybrid summer school will be held July 12-16, 2021. Online events will take place each day at the same time. Starting at 1.00 -2:30 pm CET, check what time that is in your respective timezone

- **Recording**

- All online sessions of the hybrid summer school will be recorded and made available online for a limited time, for anyone to watch at their convenience.

- **What do I need to join**

- sign up online
 - a computer or mobile device with access to the internet
 - headphones, microphone
 - the latest version of zoom
 - wonder.me requires either Google Chrome or Microsoft Edge

- **What is wonder.me?**

- wonder.me is an online meeting room for casual exchanges. We are going to use this tool in addition to zoom.us for networking and group chat.

- No registration or installation of an app is necessary. Please note that you have to use Google Chrome or Microsoft Edge as browser.

- **Test of online tools**

- We are going to offer timeslots where you can test the tools and your connection, so you can make sure that everything works well before summer school starts.
